

Around the Table

Ready

- 1 set of Speed Stacks per student
- 1 table per 4 students

Set

- Create large activity area.
- Space tables so students can easily move around the table's perimeter.
- Send groups of 4 to each table.
- Place downstacked cups in front of each student with hands resting on table surface.

GO!

1. Today's activity is Around the Table.
2. On the "go" signal, you will upstack and downstack in 3-3-3 (*or other predetermined*) pattern.
3. Once everyone at your table completes the pattern, move around the table to your right (*counter-clockwise*) and begin stacking the next set of Speed Stacks.
4. Continue to stack and rotate around the table until you hear the "stop" signal.

CHALLENGES

- Let's stack 3-6-3. Cycle.
- Rotate clockwise.
- Line up more tables to expand for larger group
- How long does it take your group to complete one rotation?

CUES

- Remember to use proper stacking technique and follow patterns
- All fumbles must be fixed properly
- Stackers may not pass each other
