

Partner Pledge of Support

SPARK is the World's Most Researched Physical Education and Physical Activity Programs.

SPARK is dedicated to creating, implementing, and evaluating research-based programs that promote lifelong wellness. SPARK strives to improve the health of children, adolescents, and adults by disseminating evidence-based programs to teachers and recreation leaders serving students in Pre-K through 12th grade.

Each SPARK program fosters environmental and behavioral change by providing a coordinated package of highly active curriculum, on-site teacher training, extensive follow-up support, and content-matched equipment.

We invite all interested organizations, schools, agencies, and businesses that support SPARK's mission and who are dedicated to improving the health of children and *Evidence. Innovation. Impact.* to become a Partner Affiliate.
